

## GVG Pig Fair 2019

WINCANTON RACECOURSE, BA9 8BJ – TUESDAY 1<sup>st</sup> OCTOBER – 2PM

EXETER RACECOURSE, EX6 7XS - WEDNESDAY 2<sup>nd</sup> OCTOBER – 2PM

You are warmly invited to join the GVG Pig Team and invited speakers at the 2019 Pig Fair.

This year's speakers will be both domestic and international as we welcome speakers from Ireland, Spain, Germany and Gloucestershire.

Our topics are similarly domestic and international as we look at the chewy and important matters in the UK industry and the South West. We set this alongside matters continental with a view from Germany, an update on disease threats and a helpful reminder of all the interesting things we may have forgotten.....

As ever, we are supported by industry colleagues with the traditional soup and pasty supper at the end of the afternoon.

Please make a note of the dates, we look forward to seeing you there.
