Donkey Health Club

Keeping your donkeys healthy for longer

Terms and Conditions

1. Membership of our Donkey Health Club is open to all donkeys registered with The George Equine Vets.

2. The Donkey Health Club policy must run for a minimum of 12 months and be paid for by monthly standing order.

3. All policies are subject to a 14 day “cooling off period” from either party.

4. In the event of cancellation of the policy, any benefits received in the current year are to be paid in full and not at the reduced Donkey Health Club rate.

5. Cancellation of the policy by either party MUST be in writing, giving 30 days’ notice.

6. The veterinary visits included within the Donkey Health Club MUST be pre-arranged and taken on your zone day. They are not classed as either out of hours, weekend or emergency visits unless specified. You will be subject to a flexi-zone visit charge if a specific vet or time restraints are required.

7. Any benefit of the Donkey Health Club that is not used at the discretion of the owner is non-exchangeable and non-refundable for any other veterinary treatment or service.
